FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. Former 28 Texas Administrative Code §133.305, effective June 3, 1991, 16 *Texas Register* 2830, sets out the procedures for resolving medical fee disputes.
2. Former 28 Texas Administrative Code §134.1(f) effective October 7, 1991, 16 *Texas Register* 5210, sets out the reimbursement guidelines for the services in dispute.
3. This request for medical fee dispute resolution was received by the Division on December 23, 1997.

4. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - Z140-Payment by the carrier will be according to the medical policies and fee guidelines established by the Commission. No billing for any unpaid amount shall be directed to the injured employee or the employer, nor shall any attempt be made to collect the unpaid amount from the injured employee or employer unless the injury is finally adjudicated not be compensable or the Commission finds that the injured employee violates art 8308-4.62 or art. 8308-4.63 of the Texas Workers' Compensation Act.

Findings

1. This dispute relates to outpatient medical services. The services in dispute were not identified in an established fee guideline during the disputed dates of service; therefore, reimbursement is subject to the provisions of 28 Texas Administrative Code §134.1(f) effective October 7, 1991, 16 *Texas Register* 5210, which requires that "Reimbursement for services not identified in an established fee guideline shall be reimbursed at fair and reasonable rates as described in the Texas Workers' Compensation Act, sec. 8.21(b) until such period that specific fee guidelines are established by the commission."
2. The former Texas Workers' Compensation Act section 8.21 was repealed, effective September 1, 1993 by Acts 1993, 73rd Legislature, chapter 269, section 5(2). Therefore, for services rendered on or after September 1, 1993, the applicable statute is the former version of Texas Labor Code section 413.011(b), Acts 1993, 73rd Legislature, chapter 269, section 1, effective September 1, 1993, which states, in pertinent part, that "Guidelines for medical services fees must be fair and reasonable and designed to ensure the quality of medical care and to achieve effective medical cost control. The guidelines may not provide for payment of a fee in excess of the fee charged for similar treatment of an injured individual of an equivalent standard of living and paid by that individual or by someone acting on that individual's behalf. The commission shall consider the increased security of payment afforded by this subtitle."
3. 28 Texas Administrative Code §133.305(d)(7), effective June 3, 1991, 16 *Texas Register* 2830, requires that the request shall include "copies of all written communications and memoranda relating to the dispute." Review of the documentation submitted by the requestor finds that the request does not include a copy of medical records or other written communications and memoranda pertinent to the dispute. The Division concludes that the requestor has not met the requirements of §133.305(d)(7).
4. 28 Texas Administrative Code §133.305(d)(9), effective June 3, 1991, 16 *Texas Register* 2830, requires that the request shall include "copies of all medical bills, which are disputed, as originally submitted to the insurance carrier." Review of the documentation submitted by the requestor finds that the request does not include a copy of medical bills. The Division concludes that the requestor has not met the requirements of §133.305(d)(9).
5. 28 Texas Administrative Code §133.305(d)(10), effective June 3, 1991, 16 *Texas Register* 2830, requires that the request shall include "a summary of the requesting party's position regarding the dispute." Review of the documentation submitted by the requestor finds that the request does not include a summary of the requesting party's position regarding the dispute. The Division concludes that the requestor has not met the requirements of §133.305(d)(10).
6. Review of the submitted documentation finds that:
 - The requestor did not submit a position statement for consideration in this dispute.
 - The requestor has not articulated a methodology under which fair and reasonable reimbursement should be calculated.
 - The requestor did not list the amount in dispute.
 - The requestor does not discuss or explain how additional payment would result in a fair and reasonable reimbursement for the services in this dispute.
 - The requestor did not submit documentation to support that the payment amount being sought is a fair and reasonable rate of reimbursement for the disputed services.
 - The requestor does not discuss or explain how additional payment would satisfy the requirements of 28 Texas Administrative Code §134.1.

The request for additional reimbursement is not supported. Thorough review of the documentation submitted by the requestor finds that the requestor has not demonstrated or justified that payment of the amount sought would be a fair and reasonable rate of reimbursement for the services in dispute. Additional payment cannot be recommended.

Conclusion

The Division would like to emphasize that individual medical fee dispute outcomes rely upon the evidence presented by the requestor and respondent during dispute resolution, and the thorough review and consideration

of that evidence. After thorough review and consideration of all the evidence presented by the parties to this dispute, it is determined that the submitted documentation does not support the reimbursement amount sought by the requestor. The Division concludes that this dispute was not filed in the form and manner prescribed under 28 Texas Administrative Code §133.305(d). The Division further concludes that the requestor failed to support its position that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
